Life and Loss
A Guide to Help Grieving Children

Linda Goldman, in private practice, Chevy Chase, Maryland, USA

Series: Routledge Mental Health Classic Editions

For decades, Life and Loss has been the book clinicians have relied on for a full and nuanced presentation of the many issues with which grieving children grapple as well as an honest exploration of the interrelationship between unresolved grief, educational success, and responsible citizenry.

The classic edition, which includes a new preface from the author, brings this exploration firmly into the twenty-first century and makes a convincing case that children’s grief is no longer restricted only to loss-identified children.
